A portfolio that shows detailed coverage of the four assessment objectives. It must include a sustained project evidencing the journey from artist research and starting points to the realisation of your intentions (final piece) and a selection of further work undertaken during your course.

This is a Non-exam assessment (NEA) set and marked by the school and moderated by an AQA moderator during a visit. Moderation will normally take place in June.

What's assessed?

You will respond to your chosen theme and starting point from an externally set assignment paper relating to a subject title, providing evidence of all four assessment objectives.
